“Pompe Disease – How Could We Achieve Better Outcomes for Patients?”

Take part in the discussion on how to achieve better outcomes for those living with Pompe disease through early and continued treatment, and about clinically meaningful changes in outcomes.

Together, we can navigate the evolving landscape of Pompe disease.

This presentation was approved by the Scientific Program Committee as an independent activity held in conjunction with the 17th International Congress on Neuromuscular Diseases. This presentation is not sponsored or endorsed by ICNMD 2022.
